CALL FOR EXPRESSIONS OF INTEREST TO BE A MEMBER OF THE IUCN EXPERT ASSESSMENT GROUP FOR THE GREEN LIST (EAGL) FOR WESTERN INDIAN OCEAN REGION (WIO)

9 June 2021

Dear Madam/Sir,

The IUCN Green List of Protected and Conserved Areas Programme (Green List for short) was officially launched in 2014 at the World Parks Congress to recognise and promote successful protected and conserved areas around the world. The main objective of the Green List is to encourage protected and conserved areas to measure, improve and maintain their performance through globally consistent criteria on good governance, sound design and planning, effective management and, successful conservation outcomes. For more details on the IUCN Green List programme, please visit www.iucn.org/greenlist.

The Expert Assessment Group for the Green List (EAGL) is at the heart of Green List implementation and is established in every participating jurisdiction. The EAGL adapts the global Green List Standard to the jurisdictional context and evaluates and assesses protected and conserved areas that apply to be added to the Green List.

We are seeking Expressions of Interest in becoming an **EAGL member for the Western Indian Ocean (WIO) jurisdiction, which includes Somalia, Kenya, Tanzania, Mozambique, South Africa, Comoros, Reunion, Seychelles, Mauritius, Madagascar**. Benefits of being an EAGL member include advancing PA management effectiveness and fairly governed PAs, membership with the IUCN World Commission on Protected Areas, and an opportunity to become part of the global Green List community of PA practitioners and stakeholders in more than 30 countries to date. It is important to note that EAGL members are expected to work on a voluntary basis, in their personal capacity, and according to their expertise without representing any organisation.

Interested individuals are kindly requested to apply no later than **6 AUGUST 2021** via <https://iucn.secure.force.com/EAGLapplication/>.

The online form under this link asks for:

1. Your professional experience in a pre-defined table format.
2. A self-evaluation of your competency.
3. A short statement on why you are interested to join the EAGL.
4. An up-to-date CV in English
5. A declaration of your relevant interests to manage any Conflict of Interest

6. Confirmation of your commitment to dedicate up to 10 days of volunteer time per year (0.8 days per month) to the EAGL tasks, over at least two years. All travel and logistic expenditures will be covered.

Once you have completed your online application, please then send your **full up-to-date CV** to daniel.marnewick@iucn.org.

The IUCN World Commission on Protected Areas (WCPA), IUCN Eastern and Southern Africa Regional Office, and an independent Reviewer will evaluate all applications and select a group typically of 5 to 15 individuals to form the EAGL. Appointed EAGL members will need to sign a 'Declaration of Engagement' (see below). All applicants will have an opportunity to join the WCPA as members¹, so long as they meet the WCPA membership criteria.

Please feel free to get in touch with Daniel Marnewick (daniel.marnewick@iucn.org) should you wish to find out more about the IUCN Green List and the EAGL or if you have any other queries.

Yours sincerely,

Daniel Marnewick
